

# Spring 2019

## *Teacher Recertification Courses*

Online Course Offerings for Educators

Classes Begin January 24th

Spring In-State Tuition: \$546 per course

### EDU 3260: Design, Production & Evaluation of Instructional Media

This course provides an introduction to various methods of technology and media format that can be integrated into classroom instruction. This class offers a systematic approach for using technology and media to facilitate student learning. Topics such as technology and media tools; preparation for teaching in today's learning environments and future environments; and how to select, use and evaluate technology and media to assure that learning takes place.

*Instructor: Bill Dotson*

3 Credit Hours

### EDU 3400: Young Adult Literature

A study of literature for readers from grades six through twelve with presentation of appropriate bibliographies, indexes, review sources, and teaching methods.

*Instructor: Becky Austin*

3 Credit Hours
