For salaried/leave eligible employees.

It is important to remember that some employees may be required to work on an observed holiday. In such cases, the employee will be compensated with compensatory leave if the employee is leave eligible. Wage (hourly) employees are not eligible for holiday leave and are only paid for hours worked. Employees required to work on a holiday should be given adequate advance notice for personal planning purposes.

The Center observes an alternate form of the Commonwealth of Virginia Holiday Schedule. Should the Governor grant further additional holiday time during the year, Human Resources will disseminate information about such additional holiday time.
